MY CAREER STORY

DESIGN EXPERIENCE

GLOBAL TALENT ACQUISITION MARKETING

CREATIVE DESIGNER | The Walt Disney Company

2015 - CURRENT

- Manage creative designs and concepts that solve recruitment challenges for The Walt Disney Company from ideation to market.
- Present concept visualization through sketches, storyboards and illustrations for print and digital media.
- Serve as Creative Director for photo and video productions; responsible for managing all vendors and overall project scope.
- Lead and mentor design interns and oversee client changes and design improvements throughout the development process.
- Integrating technical solutions while understanding design trends to bring relevancy to our recruitment stories.

CASTING RECRUITMENT MARKETING

PRODUCTION ARTIST | Walt Disney World Resort

2011 - 2015

- Produced creative materials to meet brand strategies while managing tight recruitment deadlines.
- Coordinated all aspects of video and photo shoots including talent casting and arranging production schedules and vendors.
- Trained new design interns on the project management systems and creative processes as determined by the team.
- Supported production for annual conferences and recruitment: presentations, booth set-up, and promotional items.
